

# Perfect passwords checklist

---

My passwords:

- use letters and numbers
  - use a minimum of 8 characters
  - don't contain any personal information
  - use characters like brackets, &, or %
  - use a mixture of capitals and lower case letters
  - use a sentence or a line from a song instead of just one word
  - only use the first letters of that sentence
  - use different languages
  - will be easy for me to remember
- 
- I have different passwords for my online accounts
  - I will change my passwords again within the next 6 months
