

Here is your homework:

Log in to Memrise and spend a **minimum** of 30 minutes a week playing the games based on the vocabulary from this half term. Obviously the more you play, the higher up the leaderboard you will be. Points will turn in to prizes every half term and you could be on the wall of fame outside T2.

Ich möchte means 'I would like' and 'he/she would like' is **er/sie möchte**. Like other modal verbs you know, **dürfen** (darf) and **können** (kann), it is used with an infinitive at the end of the sentence, as in *Ich möchte ein Souvenir kaufen* ('I would like to buy a souvenir'). However, you can also simply say *Ich möchte einen/eine/en ...*, e.g. *Ich möchte ein Souvenir* ('I would like a souvenir').
