Unifrog – The Complete Destinations Platform

Dear Parents and / Carers

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we will now be using Unifrog; an award-winning, online destinations platform. All students now have access to this website.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-13
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-13
Recording what you've done	Record their in-class and extracurricular activities, record examples of their skills, and see the record of CEIAG events the school has added to their accounts.	Years 7-13
Searching for opportunities	Find scholarships, activities, and bursaries to support their HE journey. Find and compare degrees in the UK and overseas, live apprenticeships, and FE courses.	Years 10-13
Application materials / Making applications	Write their CV, cover letter, Personal Statement, and more. Track their applications and record their Post 16 / 18 intentions.	Years 11-13

Students access the platform for the first time using their **school email address** and the default password of **Ormiston1**. They sign in to Unifrog using their email address and password and they can do so from any computer, tablet or smartphone. At the first login, they will be prompted to choose their own password. If they forget their password at any point, it can be reset using their school email account on Outlook.

We would encourage you to use the platform with your child so you can support them through the process of deciding their next step. For more information, go to www.unifrog.org.

Yours faithfully

Mr R Arger
Careers Leader
