

Fortnightly Newsletter for Students & Families

"Achievement is outstanding because every student matters" Ofsted 2013

Dear Parents and Carers,

Thank you for another exciting fortnight at Victory. Our highlight was definitely the Norwich Science Festival - Western Hub event being hosted at our academy. Given the recent tragedy in our community, we were concerned if going ahead with the event was the right decision, but we resolved that we wanted families to have a warm space; warm food and wholesome activities for the day.

The reviews so far of the event have been great - we are so grateful to our staff who gave up their own free time at the weekend to plan and deliver some super sessions including slime-making; experiments; exhibitions and talks. I'm also very grateful to our friends at Norwich School who contributed to the event and delivered some great natural history sessions for families. We hope to be asked to help again in 2025 and will keep you informed.

Thank you for the feedback on the prospect of getting a therapy dog in school (or two)! I gather everyone is very keen! I will keep you up to date on this. We are enthusiastic about making it happen so if anyone has any concerns or allergy related comments, please let me know.

Thank you to everyone who attended our recent Parents' Forum - we really appreciate you giving the time. We are looking into bag racks for PE lessons to help keep students' belongings dry and I will let you know how this progresses.

Have a lovely weekend and thank you for your support, as ever.

Our Y10 students have started to embark on their Work Experience journey this half term. Work experience this year takes place from Monday 15th July to Thursday 18th July. Work Experience is such a valuable experience

for students as they get the chance to see first-hand what the working world is like. Alongside this, they will also gain an understanding of the relationship between the employer and employee and will also develop their social skills, confidence, and independence.

We have already had students secure some fantastic placements such as working at the Norfolk and Norwich Hospital, primary schools and nurseries across Norwich, law firms, bookshops, fire departments, sports facilities and many more.

All applications are made on our online platform called Uni Frog. If your child is struggling to secure or a placement or is unsure how to apply, please ask them to come and see Miss Hazell or Mr Arger to get support or alternatively,

email the following email addresses:

RA Royal Academy of Arts

Now in its sixth year, the Young Artists' Summer Show is a free, open submission exhibition for students aged 4-19 studying in the UK. Artworks are judged by a panel of artists and arts professionals, with selected artworks displayed online and on-site at the Royal Academy of Arts

If you're 12 or under, a teacher or parent/guardian will need to enter for you; if you're 13 or over you can submit artwork yourself.

Each student can submit one artwork and there is no theme. When you enter, we'll ask for an image of your artwork plus some information about the piece such as title, size, and a little text about the artwork and why you made it. Your artwork will be seen by our panel of judges and the selected pieces will be shown in our online exhibition. Some of the artworks will also be shown at the Royal Academy of Arts.

The artwork can be made using any material; it can be a painting, sculpture, photograph, installation, video, drawing, or a combination. There is no theme so artworks can be of any subject and we don't mind when you made the artwork as long as you are between 4-19 years old when you submit it. We also welcome collaborative pieces made by more than one student, a whole class, a whole year group or even a whole school! If you're submitting as or for a student at GCSE, A Level or BTEC level, we suggest submitting artwork that is not being assessed for exams.

Registration and submission is open until 27 March 2024

EXAMINATION INVIGILATORS REQUIRED

**£11.98 PER HOUR
CASUAL CONTRACT
VERY FLEXIBLE WORKING HOURS**

The smooth running of every child's examination is incredibly important to us. We are looking to expand our team of casual Exams Invigilators for internal and external examinations throughout the school year. We are looking for individuals who will provide a supportive atmosphere for our students during their examinations. Invigilators are responsible for ensuring our students adhere to the JCQ regulations for the duration of their exams.

The JCQ details the invigilator's role as:

- ensuring all candidates have an equal opportunity to demonstrate their abilities
- ensuring the security of the examination before, during and after the examination
- preventing possible candidate malpractice
- preventing possible administrative failures
- liaising with the examination officer and senior invigilator

The post would be ideally suited to applicants who feel a sense of responsibility for today's young people and who are able to work flexible daytime hours mainly, but not exclusively, between 8.30am and 4.00pm.

The post offers a fulfilling opportunity to work with our highly organised examinations team and the young people in our successful academy community. The successful candidate would work closely with our Examinations Manager, Examinations Assistant and a growing team of Invigilators.

Successful candidates will be highly motivated, have excellent communication skills with a confident and assertive manner. Training will be provided to successful candidates, and experience is not essential. Working hours will be negotiated for each examination period.
