January 2024

Dear Parents/Carers

Options Evening Thursday 8th February 2024

It's been wonderful to see Year 9 students enjoy a three year KS3 (Year 7, 8 and 9) and experience a wide range of subjects and enrichment activities. At Ormiston Victory Academy, we are passionate about providing the highest standards of Vocational, Technical and Academic courses at KS4 (Year 10 and 11). We are proud to offer 26 option subjects which are tailored to careers in the local area and across wider reaching sectors.

The options process itself began in November 2023 with option subject assemblies. Following this, students have all completed an initial preference survey. The purpose of this survey is to identify trends in uptake and design the option blocks. Students are however not held to their initial preference choices and it will only be those subjects selected on the final options form that will be considered.

All students will receive their options booklet on the week beginning the 22nd January 2024. Please make sure that this is kept safe so that it can be used during the options process and the Options Evening. The booklet can also be found electronically on our website under curriculum and Year 9 options. Within the booklet you will find guidance on key dates in the options process and detailed course information, on each subject page. Please take time to sit down with your child to study the subjects they are interested in following.

Due to the size of the year group and parking capacity at the academy, the Options Evening will take place in two sessions. This will be as follows

Session 1: 4.00 - 5:30pm (Talk in the main hall 4-4.30 pm followed by time with subjects)

Session 2: 5.45 - 7.15pm (Talk in the main hall 5.45-6.15 pm followed by time with subjects)

Subject display boards will be available to view in the atrium and canteen area.

It is essential that you sign up for the session that you would like to attend and indicate how many people will be attending. If reading this letter on paper you can scan the QR code or if using electronically, by clicking on this google form link below.

We really look forward to seeing you at the academy on Thursday 8th February 2024.

Yours sincerely,
