

Teacher of Science

Teachers Main Pay Scale
Potential TLR for excellent candidate
Full Time
September start

Ormiston Victory Academy is seeking to appoint an enthusiastic and dedicated Teacher of Science – a biology specialism is preferred, but we would happily consider other applicants.

The successful applicant will be an outstanding professional who takes pride in their work and is determined to develop the teaching of science so that students of all abilities enjoy their learning and are motivated to succeed.

This position offers a fulfilling opportunity to be part of a successful, friendly and dedicated team committed to ensuring every student achieves their true potential.

We are looking for a talented teacher who:

- Has demonstrated achieving strong progress in results, particularly at GCSE level.
- Has a real love for science, with a special gift of communicating that passion.
- Is dynamic, innovative, self-motivated and able to inspire others.
- Has the ability to teach outstanding lessons across the age and ability range.
- Is committed to raising standards of attainment and developing the success of the department.
- Enjoys working as part of a team and demonstrates reflective practice through the high expectations they have of themselves and the students.

We are proud to be sponsored by Ormiston Academies Trust and the successful candidate would benefit from the opportunities which arise as a result of this, including a package specific to Science teaching, please see the attachments on our website for more information. The academy incorporates the successful and growing Lord Nelson Sixth Form College. We are delighted to be part of the Ormiston Academies Trust teacher training facility and we have strong links with the University of East Anglia.

If you are interested in being at the leading edge of education, believe that all young people can achieve high standards; we want to hear from you.

This position would be suitable for either a newly qualified teacher or an experienced teacher. We offer an excellent induction package for all new staff, led by a member of the senior leadership team and supported by personal mentors. There is also the possibility of an additional responsibility within the department, which will be discussed with suitable candidates.

We would encourage candidates to explore our website for more information about Victory Academy and view our virtual tours. **We would encourage early application as we may interview sooner.**

Closing date for applications: 9:00 am on Tuesday 16th April 2024

Interviews expected to be held by: Friday 26th April 2024

Applications are via the Ormiston Academies Trust Careers Website <https://oatcareers.co.uk>

If you require any further information regarding this post please contact Nicole Hawes, PA to the Principal on n.hawes@ormistonvictoryacademy.co.uk
