“Achievement is outstanding because every student matters” Ofsted 2013

Dear Parents and Carers,

It's been a wonderful fortnight at Victory full of shows, performances and celebrations!

Yesterday, I was fortunate to spend the day at the Royal Norfolk Show with our Lord Nelson Sixth Form team who participated in the Great Norfolk Ice Cream Challenge. They were competing against Langley - and they won! Their jolly outlook and wonderful customer service impressed everyone. Huge thanks to Norwich School for hosting our ice-cream sales area - and supporting us by purchasing some too! They were also interviewed live on BBC Radio Norfolk - and managed to serve Lady Dannatt an ice-cream!

Our Performing Arts students are having another busy season - and yesterday wowed huge audiences with their singing and dancing at the Royal Norfolk Show. We are so proud of them and it's lovely to hear the public talking about how magnificent they are!

As part of the show, Prince Edward and the Lord Lieutenant, Lady Dannatt celebrated the great achievements of the young people of Norfolk with the new Norfolk Diamonds parade. We were thrilled that our very own Year 12 student, Matthew Prior, was a recipient - and even met Prince Edward to discuss his fantastic voluntary work both in and out of school.

Congratulations to the cast and crew of our very first Key Stage 3 only production, Aladdin. It was fantastic - we are so excited to see those young performers grow. Tonight we also have the OAT East PA Showcase at the academy - and next week is Summer Concert week. I am so grateful to the team for their relentless hard work to ensure our students have so many opportunities to do what they truly love.

Thank you to Mr Willis and his team for an amazing send-off for Year 11 last Monday - we are excited to see everyone at prom next Friday!

We've had great trips, including a surfing taster at Cromer, a theatre trip, Year 9 sports leaders visit and we've welcomed our new Year 7 families for some taster sessions and uniform try-ons. Diversity celebrations last Friday were wonderful - thank you to everyone who dressed for the occasion - and cooked.

I was lucky to visit Apple HQ in Battersea last week as part of the Ormiston Academies Trust meetings for Principals. We loved meeting the VP Mark Rogers, who gave us such insight into effective leadership.

We embraced Thank A Teacher day - we loved the postcards and videos - it means so much to everyone to be thanked.

Have a great weekend - thank you for your support, as ever.

Love this artistic interpretation of Lady Macbeth's role. Well done, Lexi.

Our Year 9 students enjoyed a visit from freestyle rapper Rob Bradley this fortnight - he performed before conducting some awesome workshops. All involved had a great time and produced some excellent writing.

A Safer Schools Message:

Keeping yourselves safe is always a priority and bike safety is no exception. When out on your bikes, wherever you may be going, remember if you have a helmet - wear it. Make sure your brakes work, make sure you have lights and that they work as they help other road users see you and not just show where you are going. Always have your lights on when the light is changing and definitely at dark. Cyclists should always stick to the Highway code, use dedicated cycle pathways where you can, and always pay attention to the road conditions, pedestrians, and other road users. Always let someone know where you are going and when you should be back home.

Be safe and enjoy the sunshine.
