12th September 2024

Dear Parents / Carers,

As part of your child's education at Ormiston Victory Academy, we promote personal wellbeing and development through our Personal, Social, Health and Economic (PSHE) curriculum. This gives students the knowledge, understanding and skills to lead healthy, safe and productive lives. As part of our PSHE curriculum we will deliver the statutory areas of study. Statutory guidance can be found here: [Statutory Guidance](#)

The guidance focuses on healthy relationships and keeping children safe in the modern world. It also covers a range of topics relating to physical and mental health, wellbeing and safeguarding. Learning about the emotional, social and physical aspects of growing up gives children the information and positive values to have safe and fulfilling relationships and help them take responsibility for their own wellbeing.

As part of implementing the RSE curriculum we would like to consult with parents and carers to ensure there is a general consensus on our approaches to the policy and curriculum content.

Ormiston Victory Academy will be starting this consultation process on Monday 16th September 2024; the consultation will close on Monday 30th September 2024.

You can find the draft policy and RSE lesson content on the PSHE section of our website or simply click on the link below and scroll to the bottom of the page.

In order to provide your feedback to this consultation we would appreciate your completion of the following questionnaire: [RSE consultation questionnaire](#) If for any reason you are unable to access the link, please feel free to email any feedback directly to me (email address below)

We appreciate your time and views with regards to our policy and delivery of RSE. If you have any further questions regarding PSHE at Ormiston Victory please contact me at a.cordy@ormistonvictoryacademy.co.uk

Yours sincerely

Mrs A Cordy

Head of PSHE
