25<sup>th</sup> October 2024

Dear Parents and Careers,

I wanted to share a quick message to thank you and the students of the Sixth Form for a wonderful start to the year. I have been very impressed with the work of both the Year 12s and 13s, and it has been a pleasure to see them settling into this half term. I firmly believe, if we can maintain the high standards of work and application from all our students, then we will have a very successful year together.

I also wanted to let Year 13 parents know about the mock exams that will be taking place between the 18<sup>th</sup> and 20<sup>th</sup> November. Students will be sitting papers in most of their subjects to support in their preparations for exams this year. I have attached a brief outline of the schedule below. We will share a more detailed plan with rooming after half term. To facilitate the running of these mocks, Year 13 will have no timetabled lessons on the 18<sup>th</sup> and 19<sup>th</sup> November and will only be expected in for their exams. Year 12 lessons will run as normal. Normal lessons for Year 13 will resume on Wednesday 20<sup>th</sup> November, as only a small number of students are affected by mocks in the morning.

### Mock Exam Schedule

Students should have been set revision work ahead of their mocks and it is vital they take the time to prepare properly for these exams. It is also very important that they are present and punctual to the exams themselves.

I hope you have a restful and enjoyable half term. As always, we are here to support in any way we can. Please encourage any students who have any concerns or have any questions about their mocks, or indeed about anything else, to come and speak to a member of the Sixth Form team.

Thank you for your continued support.

Kind regards

Jonathan Bunting
