

Fortnightly Newsletter for Students & Families

“Achievement is outstanding because every student matters” Ofsted 2013

Dear Parents and Carers,

Here we are, approaching the final week of term in 2024! This will be our last newsletter too as next Friday will hopefully be filled with Christmas Jumpers, rewards and chocolate treats. I have decided that we will make the whole of next week Christmas jumper/top friendly as it's important to make the most of this, if children are fortunate enough to own one. All students may wear their Christmas jumper WITH their full uniform (shirt, tie, blazer, skirt/trousers) from Monday to Friday next week - the charity donation will be 50p for the entire week. The money raised will go to the chosen charities of our beautiful Amina Foughali: [MATW Project](#) and [Bone Cancer Research Trust](#).

Thank you to everyone who supported Shrek last week - the show was fabulous and, as ever, I am in total awe of the children and staff for their amazing performances and dedication to the work backstage. We can't wait for Frozen in June! The after-show low has not lasted long this year!

Thank you also to everyone who has supported and contributed to the Christmas shop - whether through donations, swaps or auctions. The staff and governors alone have raised over £1000 towards buying stock for the shop and support for families over the festive period. As always, please let us know if you need a little support for the festive period or you know another family who need help - we will always try our best to help where we can.

On Thursday, we were lucky to be invited to Norwich Theatre Royal to see this year's pantomime at a special performance for schools. Our group of KS3 Young Carers enjoyed some ice-cream (and lots of shouting and singing) - a fun time was had by all! Thursday was also full of excitement as Mrs Ballentine and Mr Duncan were invited to present their research and action in raising the achievement of boys at the University of East Anglia - we are very proud of them both.

This week we've loved our first round of College Awards Assemblies - it has been lovely to see Year 7 through to Year 13 together in one room - celebrating the achievements of their college. The cups will be on display in the foyer - congratulations to everyone who won - we will now run these termly so there will be many more chances for recognition.

Next week, we continue with the Christmas shop, postcards from students to teachers and our festive lunches.

Please remember, when we return on Monday, 6th January, our catering will be completely cashless. If you need help setting up ParentPay, please get in touch.

We really hope you all enjoy a wonderful Christmas break and enjoy a safe and happy 2025. Thank you for your support of our school and our community.

Student News @ Victory

We are so proud of Seneya and Chloe who took part in the regional final of the MFL Spelling Bee last week. Congrats to Chloe who will be competing in the national final at Cambridge university in January.

We could not be more proud of these Lord Nelson Sixth Form students: Cali, Sophie and Ellie, for helping people who'd been in a car crash. They pulled someone from the vehicle and alerted others. Amazing!

Thank you to our fabulous elves, Sydney and Evalina for helping Father Christmas visit the children Costessey Primary School last week. Thanks Mr Robinson for arranging the visit.

Brilliant recycling of unwanted clothing in art for these talented chaps! Well done!

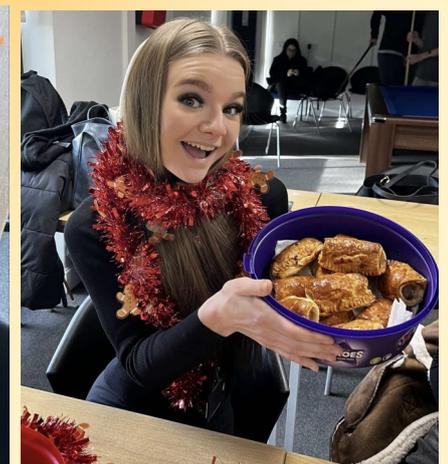

Lord Nelson Sixth Form @ Victory

In Lord Nelson Sixth Form, the Year 12 students recently participated in a general election to choose their Student Head of Year 12. The event included speeches from the three candidates, Chris, Patrick and Tilly. They shared with the community their ideas and visions. After an incredibly close call, Patrick emerged as the winner of the election.

Students at Lord Nelson Sixth Form have been getting into the Christmas spirit with a lovely tradition. A group of students baked festive treats, which were shared in the common room for everyone to enjoy. This group meets every Friday during their free period to relax with cakes and a cup of tea, catching up on their week. It's a great example of the strong sense of community within the Sixth Form.

#SaferByChristmas

This December, the National Crime Agency's CEOP Education team will be posting a series of tips across X and Facebook called **#SaferByChristmas**.

#SaferByChristmas started on 9th December 2024 and will share 12 days of quick, easy actions for parents and carers to take to better protect their children online.

Each post will share actions that can be taken both for the 4 to 10 year old age range and 11 to 17 year olds.

#SaferByChristmas aims to increase the protective capabilities of parents and carers, particularly at a time of year when many children and young people are gifted new devices and when online usage increases with schools closed for the festive break.
