April 2025

Dear Parents and Carers

Year 7 Parents' Evening 1st May 2025 – Online Appointment Booking

We would like to invite you to take part in our virtual Year 7 Parents' Evening on Thursday 1st May. It is so important for you to engage in your child's learning and find out about the progress they are making.

We have decided to run the evening as an online evening from 4pm to 7pm.

The academy uses an intuitive and easy-to-use online booking system to book and manage your appointments. This allows parents/carers to choose their own appointment times with teachers and you will receive an email confirming your bookings.

We want to support parents/carers to ensure that it is a positive experience; please refer to the Parents' Guide below detailing the step-by-step process of how to book appointments. On the academy website under the 'Parents' Evening' section there is also further guidance and a video to help.

Please visit <https://ormistonvictory.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter). Appointments open at 4pm on Thursday 3rd April and will close on Thursday 1st May at noon. Should you wish to make any changes after this date please contact s.mullen@ormistonvictoryacademy.co.uk.

If you do not have access to the internet, please get in contact and we will be happy to support. Equally, if you have any further questions, please do not hesitate to contact your child's form tutor in the first instance.

Yours sincerely,

Mrs O Ballentine
Vice Principal for Quality of Education

Mr R Cole
Assistant Principal for KS3

School Cloud Virtual Parents Evening Frequently Asked Questions

Q. Is the system secure?

A. The school cloud system is encrypted, and all data held on SchoolCloud Parents' Evening is within the European Economic Area (EEA). We do not transfer this data outside of the EEA. SchoolCloud host with one of the top managed hosting providers in the United Kingdom. We maintain a rolling three months of backups which are encrypted using AES-256.

Q. Do I have to have a laptop?

A. The SchoolCloud system can be accessed from any device that meets the following minimum requirements:

- a device (smartphone, tablet, laptop) with a microphone and speaker, front facing camera is also preferred but not essential.
- a compatible web browser:
iPhone/iPad: Safari, **Android:** Chrome or Firefox, **Windows:** Chrome, Firefox or Microsoft Edge, **Mac:** Safari, Chrome or Firefox, **Linux:** Chrome or Firefox

Q. How much data will I use?

A. Video calling should adapt to the available bandwidth. The recommended bandwidth for video calls for popular video conferencing solutions tends to be around 1-3 Mbps per call, and we would recommend considering this as a guide. **We would strongly recommend the use of wifi to avoid any additional cost to yourself.**

Q. Can I invite another parent/guardian to join my appointments?

You can give another parent/guardian access to join your video appointments. You can grant this access at the time of booking, or later if required.

1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite Parent/Guardian* link at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.

2. You will then be presented with a box asking for the details of the parent/guardian to be given access. If there is more than one student linked to you, and involved in the evening, they will all be shown.

You must enter their name and an email address, as well as tick the box to consent to that person being given access to the information used to make the appointments.

If there is more than one student linked to you, choose the student(s) in respect of whose appointments the access to this person will be granted. When you click the blue *Send Invite* button an email is sent to the address you entered, giving them a link and details on how to join the call.

3. You will then see a *Manage invites* box that shows your sent invitation and allows you to *Resend invites* or *Remove* them. If you click *Remove* the link in the previously sent invitation will no longer work and that person can no longer join the video call.

Q. How long are the appointments?

A. Appointments are 4 mins 30 seconds in duration and this is managed by the SchoolCloud system. Once the appointment has run its course the system will automatically conclude the appointment. You will get a countdown warning. **This means that you could get cut off if the call does not end on time.** Please do not take offence. We recommend parents/carers leave a 5 minute buffer at regular intervals to allow you to reflect on the appointments. If you book appointments consecutively, you will have a 30 second gap between them.

Q. What happens if a teacher is fully booked?

A. It is always a challenge to offer enough appointments and we would therefore ask you to prioritise appointment requests for the subjects where you feel the need is greatest. You can email the member of staff to get feedback at another time.

Q. Can videos be recorded?

A. It's not possible to record calls using the SchoolCloud Parents' Evening software and it is an expectation that no Parents' Evening consultation appointments will be recorded.

Q. Where is the best place to conduct my appointments?

A. We recommend that you find a comfortable well-lit area to conduct your appointments with minimal background noise. As a guide, please dress as though you were attending the evening on-site. Please ensure you are logged into the SchoolCloud system at least 5 minutes prior to your scheduled appointments so that you maximise the time allocated with your teachers and so you can test your video/audio equipment if needed.

Q. What happens if I have a technical problem in the evening?

A. If you have any technical issues on the evening please contact s.mullen@ormistonvictoryacademy.co.uk and a member of staff will be in contact to help support with your issue.

Q. What do I do on the night of the Parents' Evening?

A. Simply log into the SchoolCloud system and your schedule will be displayed. Click on the *Join Video Appointments* button and your evening will begin.
