June 2025

Dear Parents/Carers,

Year 13 - Results Day: Thursday 14th August 2025

Firstly, we would like to take this opportunity to thank you for your support and effort this year with our Year 13 students. The anticipated day will soon be upon us and we would like to formally invite students to attend the results day that will take place on **Thursday 14th August**.

Please accept this invitation to one of the most significant days of your child's life. I know this will feel different to other years, but all of the hard work and dedication has led to this moment, and we welcome them to join us at the academy to celebrate this milestone in their lives and to reflect on the results that will be received.

Students are welcome to collect their examination results between **9:00-10:00am** in the **Main Hall**.

Please note the following **IMPORTANT** information regarding results collection:

- If students are unable to attend in person, they may ask someone to collect their results on their behalf. However, that person **MUST** send an email from their school email account to victorydata@ormistonvictoryacademy.co.uk naming the person who will be collecting their results. The person collecting the results **MUST** show ID before the results will be released to them. We cannot allow another person to collect a student's results without this.
- If students wish to have their results posted home, the Exams Office requires a stamped, addressed envelope (minimum A5) to be provided by you and to arrive no later than Tuesday 15th July 2025. This should be addressed 'For the urgent attention of the Exams Officer'. Please be aware that we cannot accept any liability for loss of post in the mail.
- We are unable to issue results over the telephone under any circumstances.

For our students, the exams are nearly over and Results Day 2025 will be the first day of the rest of their lives; we would be honoured to share this momentous occasion with them. We look forward to seeing them on the day.

Yours sincerely,

Mrs O. Ballentine
Vice Principal for Quality of Education

Mr J Bunting
Assistant Principal for Sixth Form
