

Dear Parents and Carers,

It's been a busy first week of Year 11 mock examinations, but I am really proud to say they have managed the process really well. Mocks can be really stressful for young people, but they are an essential part of the process of preparations so the whole 'event' is familiar to them. Many students have now applied for Sixth Form - if anyone needs advice or guidance with this, please contact the Sixth Form team on HeadofSixthForm@ormistonvictoryacademy.co.uk

It's not long now until we reach Show Week! This year, we proudly present Charlie and The Chocolate Factory - and we are thrilled at the hard work and dedication all students are committing to the rehearsal process. There will also be a Key Stage 3 show in Spring to look forward to - and hopefully something more exclusive to the Lord Nelson Sixth Form students.

Our annual Christmas Shop for students opens at the start of December, so we have been gratefully receiving donations from staff and friends of the academy. If you have items you would like to donate, please drop them off at reception and we will use them well to make families happy in the festive period. Favourite items for presents tend to be unused little beauty/fashion accessory kits, chocolate selection boxes, teddies in great condition and anything aimed at Dads and Grandads! Please contact me if you have any questions about donating.

Thank you to Norwich School who have kindly hosted us at two events this week - the English symposium at The Space to help students prepare for the Macbeth part of the exam and the Enrichment Conference on the theme of criminology today. As ever, we love to collaborate with other organisations to help our students as much as we can.

I must also thank the team at Thursford and Norwich Theatre Royal for kindly allowing us to 'sneak in' to their dress rehearsals for the pantomime and for the Christmas Spectacular!

I have written to all parents and carers this week regarding stopping parking on site and driving in (unless there are very exceptional circumstances). In addition to this, I would like to remind students that for their own safety, they should NOT be walking in through the vehicle gate - they should enter via Stone Breck or Longdell

Hills. Sixth Form are the only exception to this as they may need to come and go during the school day.

Finally, many thanks for your support - the next time I write, we will be about to enter December!

Have a lovely weekend - and let's hope for dry weather.

Victory Facade was invited again to step into the magical world of Christmas at Thursford, for a dress rehearsal of the Christmas Spectacular. Thursford describes it's show as: Our Christmas Spectacular is an extravaganza of non-stop singing, dancing, music, humour and variety. It's a fast moving celebration of the festive season featuring an eclectic mix of both seasonal and year-round favourites. With a cast of 130, this is the biggest Christmas show of its kind in Europe!

The comedy wordsmith LLOYD HOLLETT compered the performance and added some comedic breaks between the action. The specialty acts dazzled our students and included: Duo LéOlé, VLADISLAV KHVOSTIK and CENTRIPETAL FORCES. Whether you are Buddy the Elf, or the Grinch - this performance will certain spark the festive spirit.

It is a show unlike any other and is not to be missed this festive season.
