

# Fortnightly Newsletter for Students & Families

Dear Parents and Carers

I hope you have enjoyed a lovely fortnight, despite the weather and the general January vibes?

We have a busy week ahead with Sixth Form Quiz and Chips on Tuesday evening - this has become a lovely Victory tradition with families and staff enjoying the competitive atmosphere and the chips! I look forward to seeing you there, if you have managed to get a team together.

On Wednesday we have a celebration of Chinese New Year with Miss Lin, our fabulous Mandarin teacher. Students will be making traditional dumplings - and staff will be enjoying this activity after school too. It's the Year of the Horse - this apparently brings 'vibrant and fiery energy, symbolizing adventure, vitality, and momentum'. See the link for more information here: [Lunar New Year 2026: A Guide to the Year of the Horse](#)

On Thursday, we are joined by our OAT CEO, Tom Rees, who will be visiting lessons and speaking to staff for the morning [Tom Rees – Ormiston Academies Trust](#)

We are also hosting the Norwich schools dance competition so will be welcoming 10 local schools to Victory. For parents of current Year 9, Thursday is also our Options Evening, so we hope to see you there.

We are excited to be hosting auditions for Chicago - and we are thrilled that so many students at Victory love to perform.

Enjoy the weekend - and please don't forget that we break up for half-term at 3pm on Friday 13th February - but students return on TUESDAY 24th February as we have another OAT Trust training day on the first day back so only staff will be present.

Here's to some sunshine soon! Thank you for your support, as ever.

Some beautiful textile pieces are being created this week exploring fast fashion.

Y9 Art have been looking at blackout poetry and creating their own pieces exploring social media and font design.

Year 7 textile students have been busy designing and making their worry monsters using some beautiful hand stitching and applique.

Y9 Art have been looking at blackout poetry and creating their own pieces exploring social media and font design. They then developed these into etched prints linking to the work of Iranian artist Shirin Neshat.
