7th July 2026

Dear Parents and Carers

Year 7 - 9 Enterprise Event

In the afternoon of Tuesday 14th July, we will be holding an enterprise rewards event for Year 7 - 9, to recognise their hard work this academic year.

Each form group has been given a budget to create a funfair style stall for others to spend their hard earned visas on and we're really excited to showcase their excellent efforts at this event! Those who have worked the hardest will be the richest!

The plan for the day is as follows:

- Students will be in normal lessons P1-4 with the exception that they will now move to the late lunch slot at 1.25pm, rather than 12.25pm
- At 1.25pm, students will head to the field to set up their stalls and they are able to grab some lunch at this point too
- Students can circulate the stalls, cashing in their visas and enjoying the fun atmosphere
- The event finishes at 3pm as usual

Some things to note:

- Summer uniform as normal
- We will have an ice cream van and a sweet stall which students will need to bring in money for if they wish to buy additional treats
- Students will be given a voucher ahead of the event with their 'visa allowance'. They will be told to look after this as if it were cash as we are unable to replace them
- We have told students that this is a privilege and not a right. Those who have demonstrated excellent behaviour will be invited to attend and enjoy this event - there will be a separate provision for the minority who have not met our expectations and those affected will be informed by their year teams

This should be an excellent way to recognise hard work and engagement at the end of this academic year, and we look forward to the celebrations!

Kind regards,

Miss T Burrows

Assistant Principal for Student Engagement
